About Our Company

CareBridge Human Resource Consultancies L.L.C is a specialized healthcare recruitment agency with over 14 years of experience in the United Kingdom. Now headquartered in Dubai and officially licensed (License No. 1368074), we are strategically positioned to serve the recruitment needs of the United Arab Emirates, Qatar, and Saudi Arabia with a sharp focus on healthcare professionals, including physicians, nurses, and allied health workers.

We connect top-tier medical talent with leading hospitals, specialty clinics, surgical centers, and government institutions —ensuring every placement is clinically competent, compliant, and culturally aligned.

Our Mission

Empowering healthcare in the UAE, Qatar, and Saudi Arabia by connecting top medical institutions with exceptional Specialist Doctors & Consultant through ethical, strategic, and compliant recruitment that drives better clinical outcomes.

Our Vision

To become the most trusted Specialist Doctors & Consultant recruitment partner in the GCC—enabling healthcare transformation by building world-class medical teams that improve lives, systems, and standards of care.

Why Choose Care Bridge?

Exclusive Focus on Healthcare

Deep specialization allows us to understand clinical, cultural, and regulatory nuances that generalist agencies cannot.

14+ Years of Proven Experience

A solid track record in the UK and now the Middle East.

Region-Specific Expertise

On-ground presence in Dubai with deep understanding of UAE, Qatar, and KSA healthcare systems.

Robust Talent Pool

Access to a large database of Western-trained and internationally certified healthcare professionals.

No Recruitment Fees for Employers

Access to a large database of Western-trained and internationally certified healthcare professionals.

Compliance & Licensing Support

We manage MOH, DHA, DOH/HAAD, SCFHS, and QCHP processes from end to end.

Quality Assurance

Our proprietary QCertified Methodology upholds gold standards in competence, ethics, and regulatory adherence.

Technology-Driven Processes

AI-powered sourcing and digital onboarding ensure speed, precision, and compliance.

Comprehensive Services for Candidates

Whether you're exploring global opportunities or ready for relocation, CareBridge provides a guided journey:

- Career counselling and job placement
- English language and skills testing guidance
- Visa, relocation, and credentialing support
- Interview preparation and onboarding
- Cultural adaptation and professional development

Recruitment Solutions for Employers

We ensure that every healthcare provider receives talent that elevates patient outcomes and fits seamlessly into their teams.

- End-to-end physician recruitment
- Executive healthcare search
- Direct hire and locum staffing
- Licensing and credentialing support
- Workforce planning consultation

Recruitment Solutions Tailored to You

At Care Bridge, we provide a comprehensive recruitment journey that includes:

🔗 Job Placement

Secure employment with reputable institutions in the UAE, Qatar, or KSA.

🔗 Job Counselling

Get career guidance aligned with your goals and qualifications.

🔗 Test & Interview Preparation

Prepare for regulatory assessments and interviews with confidence.

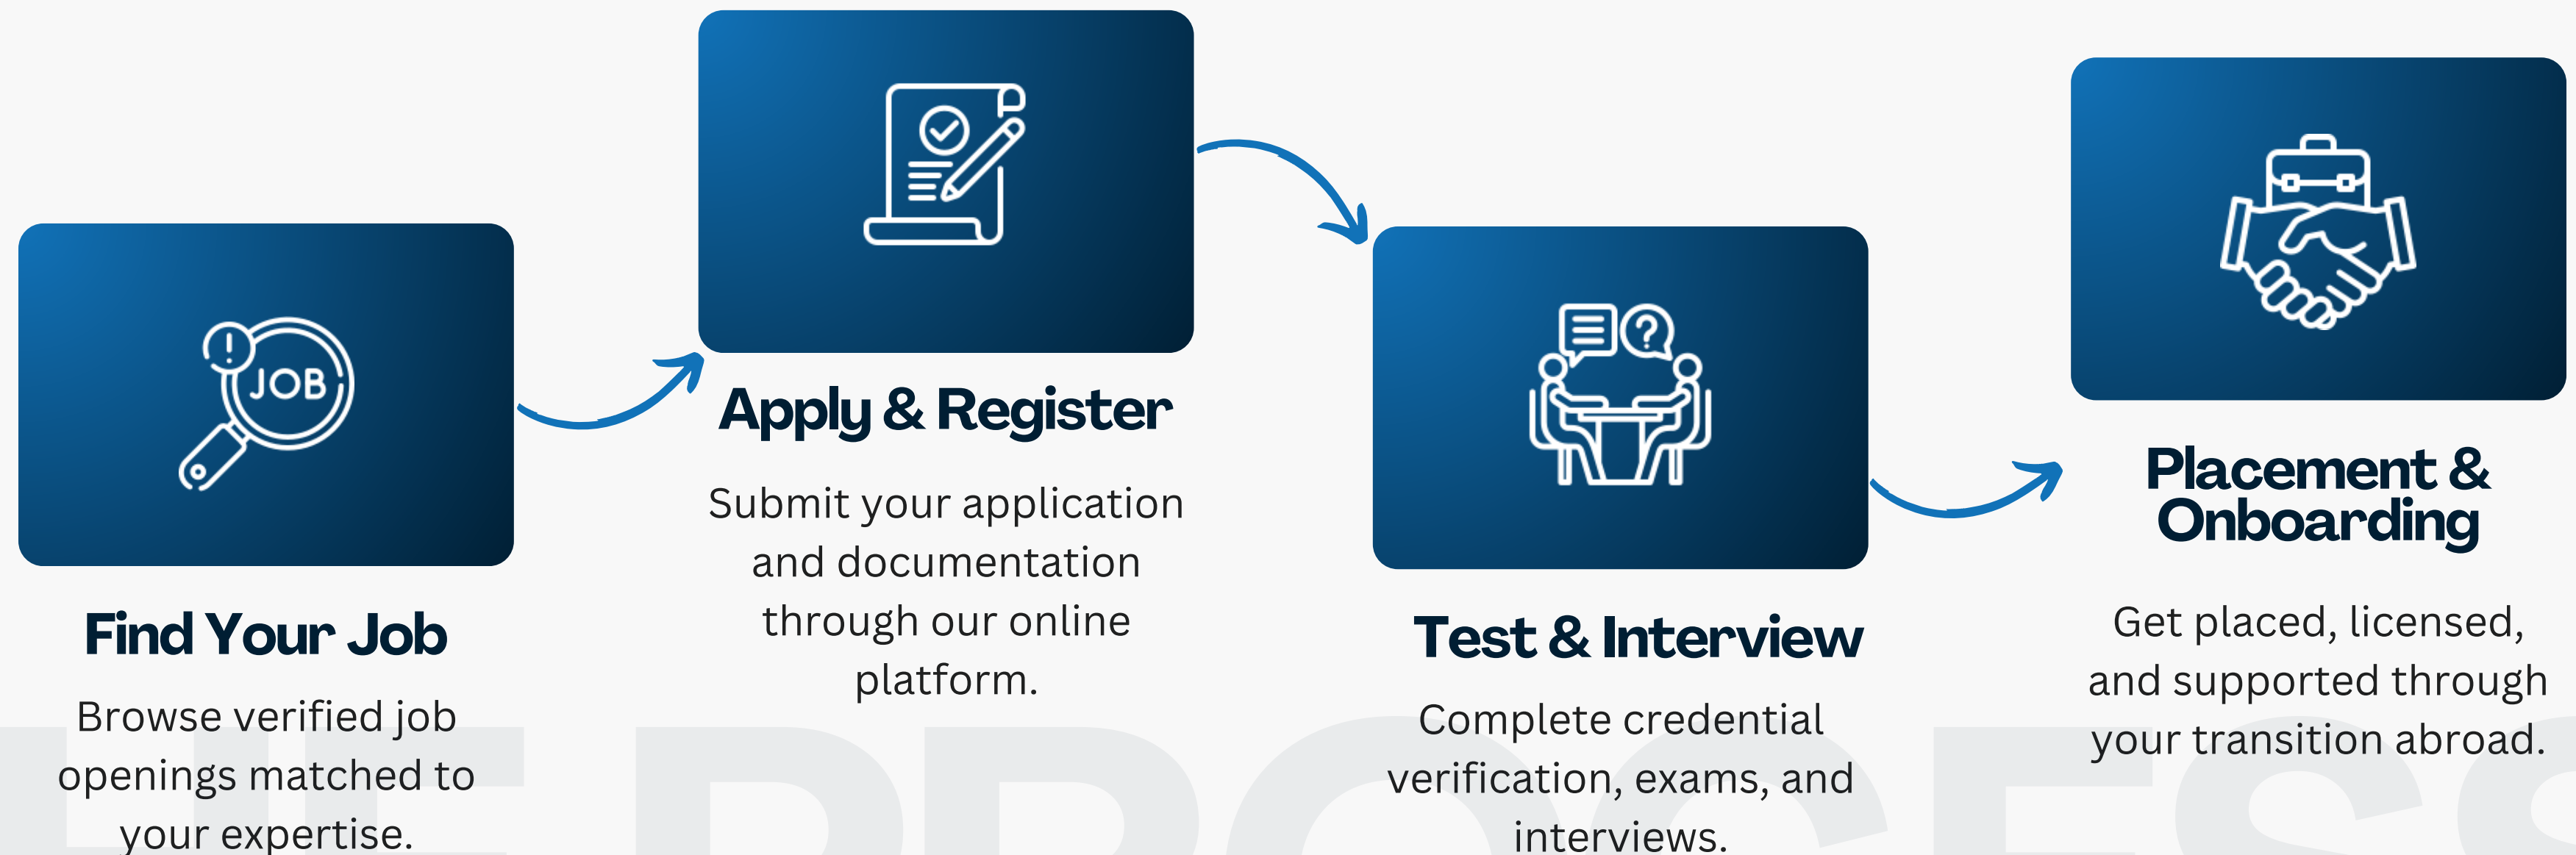

🔗 Development & Training
