CARE BRIDGE
HR CONSULTANCY & RECRUITMENT

COMPANY OVERVIEW

Care Bridge HR Consultancy & Recruitment is an international healthcare recruitment and licensing consultancy headquartered in Dubai, United Arab Emirates and branches in the UK, with an expanding operational reach across the GCC region and international healthcare markets. The company specialises in sourcing, recruiting, licensing, and onboarding highly qualified healthcare professionals for hospitals, medical centres, clinics, and healthcare groups throughout the Gulf region.

Care Bridge was established with a clear objective: to bridge the growing gap between healthcare institutions requiring experienced medical professionals and internationally trained healthcare talent seeking career opportunities within the GCC. The company has developed a reputation for delivering professional, compliant, and tailored recruitment solutions with a strong focus on quality, integrity, and long-term client partnerships.

Through a combination of international recruitment expertise, regional licensing knowledge, and a dedicated client-focused approach, Care Bridge supports healthcare organisations in building sustainable and high-performing clinical teams.

MISSION STATEMENT

Care Bridge is committed to delivering ethical, compliant, and high-quality healthcare recruitment solutions that support the operational and clinical success of healthcare organisations across the GCC. Our mission is to connect healthcare providers with internationally trained and professionally qualified medical professionals who contribute positively to patient care, workforce stability, and healthcare excellence.

The company is dedicated to providing a complete recruitment and licensing solution that reduces operational challenges for healthcare employers while ensuring healthcare professionals are fully prepared for successful integration into their new roles and environments.

CORE VALUES

Our values guide every decision we make and every relationship we build. They define who we are and how we deliver excellence.

Integrity

We maintain the highest standards of transparency, professionalism, and ethical recruitment practices in every aspect of our operations.

Quality

We are committed to sourcing highly qualified healthcare professionals who meet both clinical and cultural expectations of healthcare organisations.

Compliance

We ensure all recruitment and licensing processes are conducted in accordance with GCC healthcare authority regulations and international verification standards.

Partnership

We value long-term relationships with our healthcare clients and work collaboratively to support their workforce objectives and operational growth.

Excellence

We continuously strive to improve our services, processes, and industry knowledge to deliver exceptional recruitment outcomes.

CARE BRIDGE
HR CONSULTANCY & RECRUITMENT

Specialist International Recruitment Expertise

Care Bridge specialises in the recruitment of western-trained healthcare professionals, with a particular focus on doctors, consultants, specialist nurses, and allied healthcare professionals from the United Kingdom, Western Europe, USA, Canada, Australia and New Zealand.

The company recognises the increasing demand within GCC healthcare facilities for internationally trained professionals with experience gained from globally recognised healthcare systems and accredited medical institutions. Care Bridge actively sources candidates with strong clinical backgrounds, advanced communication skills, and experience within internationally recognised healthcare standards.

Our recruitment teams maintain extensive international networks and actively engage with healthcare professionals from leading healthcare markets. This allows Care Bridge to identify highly experienced candidates across a wide range of specialties, including:

- ✓ Consultant and Specialist Doctors
- ✓ Emergency Medicine Physicians
- ✓ Intensive Care and Critical Care Specialists
- ✓ General Practitioners and Family Medicine Doctors
- ✓ Registered Nurses
- ✓ ICU, Theatre, NICU, Labour & Delivery, and Emergency Nurses
- ✓ Allied Healthcare Professionals
- ✓ Senior Clinical Leadership and Management Professionals

The company's international recruitment strategy enables healthcare organisations to access a broader talent pool while maintaining high standards of professional competency and patient care.

Comprehensive Client Services

Care Bridge provides complete workforce solutions designed specifically for healthcare organisations across the GCC. The company manages the entire recruitment lifecycle from candidate sourcing through to licensing, onboarding, and post-placement support.

Services provided to healthcare clients include:

- International healthcare recruitment
- Executive search and specialist doctor recruitment
- Nursing and allied healthcare staffing solutions
- Candidate screening and competency assessment
- Interview coordination and shortlisting
- Primary Source Verification (DataFlow)
- GCC healthcare licensing support
- Examination and assessment coordination
- Visa and relocation guidance
- Workforce planning support
- Ongoing compliance and licensing renewal assistance

Care Bridge operates with a structured recruitment and licensing model designed to minimise onboarding delays, reduce administrative burden for healthcare facilities, and improve retention outcomes for healthcare employers.

Licensing & Compliance Expertise

A key strength of Care Bridge is its in-depth understanding of GCC healthcare licensing frameworks and compliance procedures. The company maintains dedicated licensing teams responsible for supporting healthcare professionals and healthcare organisations through complex regulatory processes.

Care Bridge manages licensing and regulatory procedures across major GCC healthcare authorities including DHA, DOH, MOHAP, SCFHS, OMSB, NHRA, and QCHP. Services include document verification, DataFlow processing, examination coordination, eligibility applications, licence conversion support, and renewal management.

By integrating recruitment and licensing services under one operational structure, Care Bridge provides healthcare organisations with a streamlined and efficient onboarding process that supports operational continuity and workforce stability.

Why Healthcare Organisations Choose Care Bridge

Healthcare organisations choose Care Bridge because of the company's ability to combine international recruitment capability with regional healthcare expertise and personalised client support.

Key advantages include:

-  Extensive experience recruiting western-trained healthcare professionals
-  Strong understanding of GCC healthcare regulations and licensing systems
-  Access to international healthcare talent networks
-  Dedicated recruitment and licensing divisions
-  Efficient and transparent recruitment processes
-  Tailored recruitment campaigns based on client requirements
-  High standards of compliance and candidate verification
-  Long-term workforce partnership approach
-  Ongoing communication and post-placement support

“

Care Bridge remains committed to supporting healthcare organisations with reliable, ethical, and efficient recruitment solutions that contribute to improved patient care and operational success.
